------	----------	----------------------	---------	---------

Welcome to **Premier Literacy's Home Use Site**. If you know which product you want to download we have all available products listed on our [Start Downloading Page](#). If you're not sure which product would be best for you please read our [Getting Started](#) page which will help you decide. Whenever you are done and wish to [Log Out](#), you can click the link on the top right, while anywhere on the site.

5. Click on the Start Downloading Tab
6. This will take you to the download page. Select the product(s) you want to download and install. There are 19 different products you can download. You may also wish to download the Internet Toolbar for Windows Should you wish to download all the products (197 MB) you can do so by selecting the following:

[Literacy Productivity Pack I For Windows 7 | 197 MB | Version 12.0](#)

[Literacy Productivity Pack I For Windows XP, Windows Vista, and Windows 7 | 197 MB | Version 12.0](#)

If your hardware will not support all 19 products, we recommend the following:

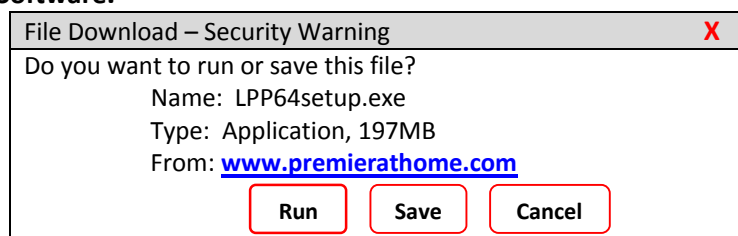

[Talking Word Processor I 68 MB | Version 12.3](#)

[Universal Reader Plus I 69 MB | Version 8.8](#)

[PDF Equalizer ML I 112 MB | Version 7.2](#)

7. The following window will be displayed. Select **RUN**. This will run the file to install the program. Follow the steps to install the Software.

Download times may vary based on your internet connection speed and the size of the file(s) you download. Larger files take longer to download.
